# NACHTUNGEN #15

Interdisziplinäres Forum zur Nacht.

Interdisciplinary discussions on night.

## Colonising the night?

## Ancient Warfare in the hours of darkness

**Molly Willett, Leiden University, Netherlands**

A look into how the **nocturnal warfare** of the **4th century BC** challenges assumptions made about human interaction with the night before the industrial revolution. We will look at how the **accounts of nocturnal activity** present in the works of the Classical period offer a useful way of nuancing the picture of the “**pre-colonised**” night.
