Interdisziplinäres Forum zur Nacht.

Interdisciplinary discussions on night.

Dark Sky

and the Arts

Teddie Hwang, Artist, Mainz, Germany

Teddie Hwang is a historical flutist and photographer who works with concepts from the night sky experience, with artistic, pedagogical, spiritual, and environmental aims. She will talk about some of those professional activities ranging from teaching to multimedia programs. In addition to showing her films with night photography, the presentation will conclude with a short musical performance from Teddie.
